Thank you for considering Pinecrest Country Club for your golf outing. Pinecrest is one of the premier golf facilities in the Philadelphia area. Our clubhouse includes a well equipped pro shop for all your golfing needs, sports bar and grill and a banquet facility equipped to handle up to 300 guests all over looking our beautiful 18 hole championship course.

The friendly staff at Pinecrest specializes in tournament management, ensuring that your outing will be one to remember. We can help you with everything from selecting a date, banquet choices, scoring, cart signs, prizes and any questions you may have about your event.

Again for the 2010 golf season, earn free green fees and cart when you hold your event at Pinecrest. For every 20 players, you'll receive a complimentary weekday green fee and cart. You will be given these certificates at the conclusion of your event. You may use them as prizes or give them as a gift to sponsors.

This year as an added service, you may request a 20 to 30 minute short game clinic for your entire group prior to tee off. This service is free to you and will be taught by Gerry Davis, Pinecrest PGA Professional.

Once again, thank you for your interest in Pinecrest. Everyone here looks forward to working with you and your committee to make your day a memorable one.

A handwritten signature in black ink, appearing to read 'Gerard Davis', written in a cursive style.
